

Gift Certificates

A great alternative instead of sending your child to school with cash.

Sample message to Parents:

The Holidays are near...and, as a special service, our school is hosting a Lil' Shopper's Shoppe®. Children will have the opportunity to pick out their own inexpensive, high quality gifts for family and friends.

The Lil' Shopper's Shoppe® is a program designed for children to shop on their own at school, in a safe, non-commercial environment. They can learn to budget their money and spend wisely, while also experiencing the "Joy Of Giving".

The Lil' Shopper's Shoppe® will be set up in the school and will be run by parent and grandparent volunteers. Gifts are priced for a child's budget, ranging from \$0.25 to \$12.75, with most priced under \$5.00. There are gifts available for ALL the members of your Lil' Shopper's family.

Gift Certificates are available and a great option if you prefer to use a credit card instead of sending your child to school with cash. In addition, you can email family members to sponsor your child. A sponsor/family member may purchase the gift certificate online and have it emailed back to your child to use at the holiday shop.

Purchase Gift Certificates & Answers

What happens if I purchase a gift certificate and my child doesn't spend the full amount?

Gift certificates are redeemed at your schools holiday shop and treated like cash. Any unused portion of the Gift Certificate will be refunded to your child at the school holiday shop with cash.

What happens if I purchase a gift certificate and my child for some reason cannot attend the holiday shop?

If for example, your child becomes sick and cannot attend the holiday shop it is not a problem. All gift certificates are credited to the PTO/PTA that run the holiday shop at the school your child attends. Simply have your child bring the gift certificate to school and the PTO/PTA that ran the event will refund to your child the full amount of the gift certificate.

How and how soon will I receive the gift certificate?

Upon submitting your order a receipt will automatically be generated and the Gift Certificate(s) will be emailed to the parent's email address. You must have a printer to print the gift certificate. Once printed you can send in to the school with your child or children to redeem at their holiday shop.

What happens if my child loses the gift certificate?

Not to worry, certificates are assigned a "Certificate ID Number" which is stored in our system and is compared to the certificates turned in. If your child would lose their certificate we can verify it in our system and re-issue a new one.

Why do you need to provide a parent email address?

The email address will never be used unless your child loses a certificate or if we have a hard time finding your child's school in our system based on the information you provided. We take everyone's privacy seriously and we will never solicit or sell anyone's email address that has purchased a gift certificate.

How will the charge appear on my credit card statement?

The charge will appear on your credit card statement from our parent company: Gifts 'N Things

I have another question who may I ask?
